the agent, as he thought the operators might also lift some cash from the office. He had only time to catch the sastbound train, which the two had boarded. He told with his father, also now of Cordell, practine conductor what he had overheard thed medicine here for many years. OLDREGE Business men and citisens HOLDRENGE—Business men and citisens of this div have raised a purse of more than 2000 for the mambers of the local fire department in appreciation of their efficient work Menday evening, when the huge storage bouse of the Central Granaries company and the Burlington coal chuite work destroyed by fire. The money will be lised as the firemen see fit, but it will be likely that a portion of it will go toward replacing clothing which nearly all of the men had burned while they were fighting the flames.

CONFIDENT OF WINNING

Make Prospects Bright for Tuesday's Election.

Republican candidates in the city election to be held at Benson Tuesday are feeling quite confident of the result. R. L. Robinson, for mayor, is now a rtain the republicans will win out. Besides Mr. Robinson the candidates are Ed A. Steiger, city clerk: William F. Hins, city treasrer; James Peterson, city engineer; Ed Anderson, councilman First ward: C. L. Mather councilman Second ward; Arthur Christensen and Gorton Roth, members Board of Education.

The republican platform declares for many betterments to be inaugurated in Benson, and is a model of brevity, conaining four planks:

1. The extension of water works system, street lighting, street and sanitary improvement, carrier mail delivery, gas, street car service, and other public improvements necessary for the advancement and welfare of our city.

the laws of the state of Nebraska and the misdeed. ordinances of the city of Benson.

travagant and promiscuous uses of the clean, fair, honest, conservative and bustness-like administration of all municipal affairs. 4. The continued development of our

present public school system.
